

*Standard email: Request Diagram*

Hello,

I am sorry, but I do not send diagrams via email or post.

The reasons therefore are:

- 1) There are so many request for diagrams that it would be a fulltime job to reply!
- 2) We have to protect the authors copyright!
- 3) There are so many great origami books which will be bought!

I feel sure you will appreciate the reasons for my decision!

Best regards,

Janina Weinand
